CNN 10

2026.07.31 / 中英对照学习稿

A Georgia Swamp, a WWII Battlefield and others just earned World Heritage Status

佐治亚沼泽、二战战场等新晋世界遗产

正文 / 英文与中文逐段对照

01 What's up, sunshine? I'm Coy Wire. This is CNN 10, where we give you the what letting you decide what to think. Today, two high stakes meetings at the White House that could shape overseas wars.

阳光伙伴们，大家好！我是科伊·怀尔。这里是CNN 10，我们告诉你发生了什么，由你决定如何思考。今天，白宫两场关系重大的会晤，可能影响海外战争的走向。

02 A swamp, a mountain, and a World War II battlefield all earning one of the world's highest honors. And BTS, taking a stand against the Grammys, all that and more. Your CNN 10 starts now.

一片沼泽、一座山峰和一处二战战场，获得世界最高荣誉之一。还有BTS对格莱美奖表明立场。更多内容尽在今天的CNN 10，现在开始。

03 We begin in Washington, D.C., where the Oval Office played host to back-to-back meetings that could influence conflicts stretching from Eastern Europe to the Middle East. On Tuesday, U.S. President Donald Trump hosted Ukrainian President Volodymyr Zelensky at the White House as Russia continued launching heavy attacks across Ukraine. The two leaders discussed the U.S. giving Ukraine Patriot missile defense systems, which are designed to intercept incoming missiles, as well as the possibility of reviving diplomatic efforts to end the war now in its fourth year.

先看华盛顿特区。白宫椭圆形办公室接连举行两场会晤，可能影响从东欧到中东的冲突。周二，美国总统唐纳德·特朗普在白宫接待乌克兰总统弗拉基米尔·泽连斯基，俄罗斯同时仍在乌克兰各地发动猛烈袭击。两位领导人讨论了美国向乌克兰提供用于拦截来袭导弹的“爱国者”防空系统，以及重启外交努力、结束这场已进入第四年的战争的可能性。

04 Later that day, President Trump hosted Israeli Prime Minister Benjamin Netanyahu for talks on the expanding conflict in the Middle East. The meeting came as Netanyahu campaigns for re-election back home. While relations between the two leaders have appeared more strained in recent months, officials from both sides described the talks as productive.

当天稍晚，特朗普总统接待以色列总理本雅明·内塔尼亚胡，讨论不断扩大的中东冲突。内塔尼亚胡当时正在国内争取连任。虽然两位领导人近几个月的关系似乎更加紧张，但双方官员都称会谈富有成果。

05 What do a supersized swamp, Greek gods, and a famous World War II battlefield have in common?

一片超级沼泽、希腊诸神和著名的二战战场，有什么共同点?

06 They all just earned one of the world's biggest honors. UNESCO's World Heritage List includes places considered so culturally or naturally important that they're viewed as treasures belonging to all of humanity, not just one country. The designation often brings additional conservation efforts aimed at protecting sites from threats like climate change, pollution, and over-tourism.

它们刚刚都获得了世界最高荣誉之一。联合国教科文组织《世界遗产名录》收录的地点，具有极重要的文化或自然价值，被视为全人类共同的瑰宝，而不只属于某个国家。获此称号往往意味着更多保护措施，以应对气候变化、污染和过度旅游等威胁。

07 This week, the committee announced 25 new additions. That includes the beaches of Normandy, in France. On June 6, 1944, during World War II, better known as D-Day, more than 150,000 Allied troops stormed those shores in the largest seaborne invasion ever, helping begin the liberation of Western Europe from Nazi Germany.

本周，委员会宣布新增25处遗产，其中包括法国诺曼底海滩。1944年6月6日，也就是二战期间著名的D日，超过十五万盟军士兵在这些海岸发动了史上最大规模的海上登陆，推动了西欧摆脱纳粹德国统治的解放进程。

08 Greece's Mount Olympus also made the list. Ancient Greeks believed it was home to Zeus and the Olympian gods, while today's scientists value it for its extraordinary biodiversity with thousands of plant and animal species. And right here in Georgia, Okefenokee National Wildlife Refuge earned World Heritage status as well.

希腊奥林匹斯山也进入名录。古希腊人相信那里是宙斯和奥林匹斯诸神的居所；如今科学家则珍视其非凡的生物多样性，那里生活着数千种动植物。就在我们佐治亚州，奥克弗诺基国家野生动物保护区也获列世界遗产。

09 North America's largest freshwater swamp stretches across roughly 700 square miles, nearly the size of Houston, and provides habitat for black bears, sandhill cranes, and thousands of alligators. The newcomers now join legendary sites like Machu Picchu, Taj Mahal, and Australia's Great Barrier Reef.

这片北美最大的淡水沼泽绵延约七百平方英里，面积接近休斯敦，为黑熊、沙丘鹤和数千条短吻鳄提供栖息地。这些新成员如今与马丘比丘、泰姬陵和澳大利亚大堡礁等传奇地点并列。

10 One of the most popular bands on Earth is sitting out music's biggest award, K-Pop phenom BTS says it won't submit its music for Grammy consideration after the Recording Academy created a new category recognizing Asian pop music performance.

世界最受欢迎的乐队之一，将不参加音乐界最大的奖项评选。韩国流行组合BTS表示，在美国录音学院新设“亚洲流行音乐表演”奖项后，他们不会提交音乐作品参与格莱美评选。

11 The group says it believes music should be judged by its artistry, not by language or geography. Some fans argue it would effectively box out Asian artists from the Grammy's biggest awards, like Album of the Year. BTS has previously been nominated for five Grammys, but has not won yet.

组合表示，音乐应按艺术性评判，而不是按语言或地理来源。一些粉丝认为，这实际上可能把亚洲艺人排除在年度专辑等格莱美最重要的奖项之外。BTS此前曾获得五次格莱美提名，但尚未获奖。

12 This year, the group reunited and released a new album after completing their military service. The CEO of the Grammys told CNN he is disappointed, but said, quote, as a music creator, I understand and respect their decision, unquote. The new Asian pop music performance category will debut at the 2027 Grammy Awards in February.

今年，成员们完成兵役后重新合体，发行了一张新专辑。格莱美首席执行官告诉CNN，他感到失望，但表示："作为音乐创作者，我理解并尊重他们的决定。"新的亚洲流行音乐表演类别将在2027年二月的格莱美颁奖典礼上首次亮相。

13 What do you think? Do categories like these create more opportunities or do they risk separating artists who should compete together? Hit pause and discuss.

你怎么看？这样的分类是在创造更多机会，还是可能把本应同台竞争的艺人分开？可以暂停节目，讨论一下。

14 Ten-second trivia. Which of these comic publishers was founded first? DC, Marvel, Dark Horse or Image?

十秒知识问答！这些漫画出版社中，哪家成立最早？DC、漫威、黑马，还是Image？

15 If you said DC, you're Superman.

如果你选DC，那你就是超人！

16 DC was launched as National Allied Publications in 1935, but Marvel wasn't far behind, launching in 1939.

DC于1935年创立，当时名为National Allied Publications。漫威也紧随其后，于1939年成立。

17 Comic-Con 2026 has officially wrapped and once again San Diego transformed into Superhero Central. Since 1970, Comic-Con has grown from a gathering of a few hundred fans into one of the biggest pop culture events on the planet, attracting artists, actors, filmmakers and fans from around the globe.

2026年圣迭戈国际动漫展正式闭幕，圣迭戈再次化身超级英雄大本营。自1970年以来，动漫展从几百名粉丝的聚会，发展为全球最大的流行文化活动之一，吸引世界各地的艺术家、演员、电影人和粉丝。

18 This year, legendary cartoonist Jeff Smith, the creator of the beloved Bone series, received one of the comic's highest honors, induction into the Eisner Hall of Fame. We had the chance to catch up with him to hear how a love of drawing at a very young age changed his life forever.

今年，深受喜爱的《Bone》系列创作者、传奇漫画家杰夫·史密斯，获得漫画界最高荣誉之一：入选艾斯纳名人堂。我们有机会采访他，听他讲述幼年时对绘画的热爱如何永远改变了人生。

19 Between like five and nine was when I really started to understand to get into comics.

大概在五到九岁之间，我开始真正理解并迷上漫画。

20 The art form, the pictures and the word balloons and how the pacing as you went from panel to panel, how it became real, how it would come alive. I was fascinated by that. Of course, the characters had a lot to do with it too.

这种艺术形式，包括图画、对白气泡，以及从一格转到下一格的节奏，如何让故事变得真实、鲜活，都让我着迷。当然，角色本身也很重要。

21 I knew that Charles Schulz created Snoopy. I knew that Mickey Mouse was made up by Walt Disney. He was on television every Sunday night.

我知道史努比是查尔斯·舒尔茨创造的，也知道米老鼠是沃尔特·迪士尼想出来的。迪士尼每周日晚上都会出现在电视上。

22 And I wanted to make up a character because I just love cartoons. I don't know why cartoons spoke to me, but they did. They look to me kind of the way dreams look to me.

我也想创造一个角色，因为我实在太喜欢卡通了。我不知道它为什么这么打动我，但确实如此。它看上去有点像我的梦境。

23 All the comics that I really loved were written and drawn by the same person. It just didn't occur to me that I would do it any other way, right? The first character I really kind of like started drawing more than once was this little guy called Fone Bone. His name was Fone Bone.

我最喜欢的漫画，都是同一个人既写又画的。我从没想过自己会用别的方法。第一个让我开始反复画的角色，是个叫Fone Bone的小家伙，他就叫这个名字。

24 This is what he looked like the first time I drew him. Then he had his cranky cousin who was a phony Fone Bone. And then the Smiley Bone was kind of like a cross between Goofy and Ed Norton on the honeymooners.

这是我第一次画他时的样子。后来有了他那个脾气古怪、装模作样的表亲Phoney Bone。再后来，Smiley Bone有点像高飞和《蜜月伴侣》中埃德·诺顿的混合体。

25 I was part of a generation that really wanted to do our own characters and tell our own stories and be more like authors than just a penciler. This is a golden age happening and it's kind of underground, but it's open. They're self-publishers. They're smaller boutique publishers. This is an opportunity. This is somewhere I can do the comic exactly as I want it.

我那一代人很想创造自己的角色、讲自己的故事，更像作家，而不仅仅是铅笔画师。一个黄金时代正在到来，它有点处于地下，但充满开放性。有独立出版者，也有小型精品出版社。这是机会，我能在这里完全按自己的意愿创作漫画。

26 I'm just taking the risk myself. And if it doesn't work, it's no big deal. I'll try.

我只是自己承担风险。如果不成功，也没什么大不了的，我就试一试。

27 Every two months I put out a new chapter as like a 24 page comic book, Black and White. Bone and the comic book world have pretty high numbers. I was within like 5,000 copies a month of back.

我每两个月推出一章，做成一本大约24页的黑白漫画。《Bone》在漫画界的销量相当可观。我的月销量与所比较对象相差约五千本。【原稿此句末尾不完整，比较对象不明。】

28 No books were like that. You know, we did not have like all ages books in the 90s. It was really like these comics are aimed at teens and older. And when Bone comes out, it's like a revelation.

当时没有这样的书。你知道，九十年代没有多少全年龄漫画，作品基本面向青少年和成年人。《Bone》一出现，简直让人眼前一亮。

29 The results spoke for themselves. Bone wasn't just a hit comic. It was a business.

成绩说明了一切。《Bone》不仅是畅销漫画，也成了一门事业。

30 It took 12 years and it grew not only in story, but in readership. I mean, I was really getting to know a lot of people and people loved it. I was lightning in a bottle. Everything came together.

这花了十二年，不仅故事不断发展，读者群也不断扩大。我认识了很多人，大家都很喜欢它。那真像捕捉住了闪电，一切恰好汇聚到了一起。

31 Stores got behind it, which was very deliberate. Like Jeff Smith did a lot of work to make that happen. It wasn't an accident. He put together a business plan to self-publish that book.

书店愿意支持它，是刻意经营的结果。杰夫·史密斯付出了很多努力，这不是偶然。他为独立出版这本书制定了一套商业计划。

32 So now you've got one more hero self-publisher who's talking about his experience doing that. Now that's information I can apply to my own practice. And I have a lot of admiration for Jeff Smith and what he's done.

于是，又有一位了不起的独立出版者分享自己的经历。这些信息可以用到我自己的创作实践中。我非常钦佩杰夫·史密斯和他的成就。

33 You spend so much time with that story. I mean, from your conception to outlines, thumbnails, sketches, pencils, tight pencils, inking, coloring, lettering. You live with this story and if you don't love it or understand how much time it's hard.

你会和这个故事相处很久。从构思到提纲、缩略草图、速写、铅笔稿、精细铅笔稿，再到勾墨、上色和文字排版，你一直生活在这个故事里。如果不热爱它，或者不理解它需要多少时间，就会很艰难。

34 But the path to success is rarely easy and far from a straight line. At points, Jeff seemed ready to call it quits until he received some encouragement from an unlikely place.

但成功之路很少轻松，也绝非直线。杰夫有时似乎准备放弃，直到他从意想不到的地方获得鼓励。

35 What saved me was the librarians. We didn't know it, but the libraries had been starting to stock there. And they noticed the kids were checking them out. The librarians started calling Scholastic and said, you've got to publish this book.

救了我的是图书馆员。我们当时不知道，图书馆已经开始收藏这些书，而且发现孩子们不断借阅。图书馆员开始给学乐出版社打电话，说：“你们一定得出版这本书。”

36 So Scholastic called us. And we've been approached by publishers before, but they didn't know what to do with it. But Scholastic says we do know what to do with it. We're going to publish it as a children's book and we're going to put it on the shelves right next to Harry Potter.

于是学乐联系了我们。以前也有出版社接触过我们，但他们不知道该怎么处理这部作品。学乐却说：“我们知道。我们会把它作为儿童读物出版，放在《哈利·波特》旁边的书架上。”

37 But behind every great creator, there's a partner helping bring these characters to life. And none of this would be possible without Jeff's longtime partner, Vijaya.

每位优秀创作者背后，都有帮助角色鲜活起来的伙伴。没有杰夫长期的伴侣维贾娅，这一切都不可能实现。

38 She's been not only my best friend and my partner, but she's also been one of the people who mostly encouraged me to do this. She handles all the business, the agents, the lawyers. To do something this difficult and personal, you need to have somebody on your side.

她不仅是我最好的朋友和伴侣，也是最鼓励我做这件事的人之一。她处理所有商业事务，包括经纪人和律师方面的工作。要做这么艰难又私人的事，你需要有人站在你这边。

39 I don't think there was a chance I could have succeeded on this level had she not been fully vested.

如果她没有全身心投入，我不认为自己有机会取得这样的成功。

40 Despite selling more than 10 million books in dozens of countries worldwide, Jeff says he's not done. He's continuing to work on new projects, but says it never gets old to hear that his first drawings are earning new fans every day.

虽然他的作品已在全球数十个国家售出一千多万册，杰夫说自己还没完成。他继续开展新项目，同时表示，听说最初画出的角色每天仍能吸引新粉丝，他永远不会厌倦。

41 She actually drew this. Isn't that amazing?

这真是她画的。是不是很棒?

42 The part that's kind of hard for me to take in sometimes is that this book, when they were a kid, had a real effect on it. And it reminds me of when I was that age and I was reading Peanuts and Uncle Scrooge comics, the effect that that had on me.

有时让我有点难以消化的是，这本书在他们小时候，真的产生过影响。这让我想起自己那个年纪读《花生漫画》和《史高治叔叔》时，那些作品对我的影响。

43 So it's really wonderful to take in and oh, gosh, it's really a good feeling.

所以，感受到这一点真的很美好。天啊，那种感觉实在太好了。

44 Today's story, getting a 10 out of 10, a really awesome tradition at one of the NFL's oldest stadiums. Some NFL players drive luxury cars to work.

今天获得“十分满分”的故事，来自NFL最古老的球场之一，那里有一个非常棒的传统。有些NFL球员开豪车上班。

45 Green Bay Packers players, sometimes they ride bikes borrowed from kids. The Packers opened their training camp with one of the league's most fun traditions, the dream drive. Every summer, young fans line up outside Lambeau Field hoping a player chooses their bike for a ride to practice.

而绿湾包装工队球员有时会骑从孩子那里借来的自行车。球队以联盟最有趣的传统之一“梦想骑行”开启训练营。每年夏天，小球迷会在蓝波球场外排队，希望有球员选中自己的自行车，骑去训练。

46 I got to do this when I played for the Buffalo Bills and we had some crossover practices there. It was awesome. From Lambeau to the practice field, sometimes the shortest ride can create memories that last a lifetime.

我效力布法罗比尔队时，在那里参加联合训练，也体验过这个活动，特别棒。从蓝波球场到训练场，有时最短的一段骑行，却能留下终生难忘的回忆。

47 And get this, they've been doing it for more than 60 years dating back to legendary coach Vince Lombardi. Now that is how you roll to the football season.

更有意思的是，他们已坚持了六十多年，可以追溯到传奇教练文斯·隆巴迪时代。这样开启橄榄球赛季，才够酷。

48 All right, before we go, we have a shout out to Mr. Johnson and all of our warriors at Woods Bend Youth Development Center in West Liberty, Kentucky rise up.

结束前，我们向肯塔基州西利伯蒂伍兹本德青少年发展中心的约翰逊先生和所有“勇士”们致意。打起精神！

49 And we're also showing some appreciation to Mr. Lee at P25R in Staten Island, New York. Thank you for hanging out with us this summer. You rock.

也向纽约史泰登岛P25R学校的李老师表达感谢。谢谢你们这个夏天陪伴我们，你们真棒。

50 Two more Summer Friday episodes before we get back to our Monday through Friday jam on August 17th.

再播两期夏日周五节目，我们就会于8月17日恢复周一到周五的日常播出。

51 Wherever life takes you, be curious, be kind and remember you are more powerful than you know. I'm Coy Wire and we are CNN 10.

无论生活把你带向何方，都要保持好奇、保持善良，记住，你比自己想象的更有力量。我是科伊·怀尔，这里是CNN 10。

学习词汇 / 原稿注释

以下保留用户原稿的词汇释义，并省略音标；部分词义未必是本期语境中的用法，理解时请结合正文译文。

revive v. 复元; 复苏

seaborne adj. 海上运输的

Zeus n.【希神】宙斯（希腊神话中的主神）

phenom n.【美】【俚】特出优异的人或物

consideration n. 评选与提名

artistry n. 艺术性；艺术效果; 艺术才能；艺术技巧
