01 What's up, sunshine? Welcome to the show. I'm Coy Wire with a special edition of CNN 10. Today, one royally intriguing topic, all 10 minutes, including a first ever CNN 10 report from one of you, our viewers.

阳光伙伴们，大家好！欢迎收看CNN 10特别版，我是科伊·怀尔。今天十分钟都围绕一个令人好奇的王室话题展开，还包括CNN 10首次由你们中的一位观众带来的报道。

02 Rise up. Today, we are diving into the difference between the British government and the British crown. The way our friends across the pond run their country, quite different from the way we do things here in the US.

打起精神！今天我们深入了解英国政府与英国王室的区别。大西洋彼岸朋友治理国家的方式，与美国很不一样。

03 Also, what roles do the king, the queen, and the prince even play? Since it can get confusing, we're going to break it all down.

国王、王后和王子到底各做些什么？这些容易令人混淆，我们会逐一讲清楚。

04 n the US, the president is both the head of state, the country's symbolic leader, and the head of government, the person who actually runs the executive branch. The president is elected every four years by the people. That means the citizens vote for who they want to be in charge.

在美国，总统既是国家元首，即国家的象征性领导人，也是政府首脑，即实际管理行政部门的人。总统每四年由人民选举产生，也就是说，公民投票选择希望由谁掌权。

05 In the UK, that's not quite the case. Under a constitutional monarchy, power is divided between the elected government and the ceremonial role of the royal family.

英国的情况不完全一样。在君主立宪制下，权力分配于民选政府和承担礼仪角色的王室之间。

06 The prime minister is the head of government and runs the country day to day. But here's the twist. Voters don't pick the prime minister directly.

首相是政府首脑，负责日常治理。但有个不同之处：选民不直接选首相。

07 Instead, they vote for a political party, and the party with the most seats in parliament chooses the prime minister. So it's more like voting for the whole team instead of just the captain.

他们投票支持政党，由议会席位最多的政党选出首相。因此，这更像选整支队伍，而不是只选队长。

08 Give this my all, and I ask you all to pull with me. Let's build a new national sense of unity.

我会全力以赴，也请大家与我同心协力。让我们建立新的国家团结感。

09 Britain also has a monarch, currently King Charles III, who is the head of state. While it is largely a political role, they perform important duties such as officially appointing the prime minister, opening parliament, and providing royal assent to bills signifying that they have become law.

英国还有君主，原稿中为查尔斯三世，他是国家元首。他们承担正式任命首相、主持议会开幕，以及御准法案使其成为法律等重要职责。【原稿a political role疑漏否定前缀；此处按上下文理解为主要不介入党派政治。】

10 Now that King Charles has taken the throne, his eldest son, William, is the first in line for the crown. And his responsibilities have gotten more and more important for many reasons. Our Max Foster is here to explain.

查尔斯国王登基后，长子威廉成为王位第一顺位继承人。由于多种原因，他的职责也越来越重要。马克斯·福斯特来解释。

11 It used to beall high jinks and banter between William and Harry.

过去，威廉与哈里之间满是嬉闹和互相打趣。

12 It's pretty rich coming from a ginger, so I'm quite happy to take that moment.

一个红头发的人这么说，还真好意思，所以我很乐意接下这一招。

13 Even after William married, there was plenty of fun to be had in front of the cameras.

即便威廉结婚后，镜头前仍有很多轻松欢乐的时刻。

14 But from the moment his grandmother died, he became first in line to the throne, and with that came a more weighty title.

但从祖母去世的那一刻起，他成为王位第一顺位继承人，也获得了更有分量的头衔。

15 I am proud to create him Prince of Wales to Wysog Cymru.

我很自豪地册封他为威尔士亲王，威尔士语称Tywysog Cymru。

16 With that, the new Prince and Princess of Wales have been elevated in position and will now be expected to step up and support the King more.

由此，新任威尔士亲王与王妃的地位提升，也将被期待承担更多职责，支持国王。

17 William's father reinvented the role of Prince of Wales by professionalizing it. The spotlight now firmly on the new Prince and Princess of Wales, the most high profile in history.

威廉的父亲通过职业化的工作方式，重新塑造了威尔士亲王的角色。如今，聚光灯牢牢照着新任威尔士亲王夫妇，这对历史上极受瞩目的夫妇。

18 While William and his father may attend and officiate many government events, the actual power still lies with the British people.

虽然威廉和父亲会出席、主持许多政府活动，但实际权力仍掌握在英国人民手里。

19 In America, our politics are mostly divided into a two-party game, Democrats and Republicans. In the United Kingdom, politics plays out a little differently, and with more parties. The two biggest are the Conservatives and the Labour, but there are also several others too, like the Liberal Democrats, the Green Party, and the Scottish National Party.

美国政治主要是两党竞争：民主党和共和党。英国政治的运作有些不同，政党也更多。最大的两党是保守党和工党，还有自由民主党、绿党、苏格兰民族党等。

20 And as Big Ben strikes 10, the exit poll is predicting a Labour landslide.

大本钟敲响十点，出口民调预测工党将取得压倒性胜利。

21 In the United Kingdom, elections for Parliament usually happen every five years. Emphasis on usually.

英国议会选举通常每五年举行一次，注意是“通常”。

22 Sometimes, if Parliament can't agree or the government loses a key vote, an early election is called. It's what they call a snap election. Once a majority government has been chosen, Parliament is in charge of making the laws.

有时，如果议会无法达成共识，或政府在关键表决中失败，就会提前大选，也叫突发大选。多数政府产生后，议会负责制定法律。

23 The British Parliament is bicameral, meaning it has two chambers. Much like the US has the House of Representatives and the Senate, Britain has the House of Commons and the House of Lords. The Commons members are elected by voters, while the Lords are mostly appointed or have inherited their spots.

英国议会实行两院制，也就是有两个议院。类似美国众议院和参议院，英国有下议院和上议院。下议院议员由选民选出，上议院议员多数通过任命产生，或继承席位。

24 The Lords act like experienced advisors. They don't make laws by themselves, but they do review and suggest changes. This system mixes tradition with elected decision-making.

上议院类似经验丰富的顾问。他们不会单独制定法律，但会审议并提出修改建议。这套制度融合了传统与民选决策。

25 Unlike the US, the UK doesn't have one single written constitution. Instead, its rules come from a mix of important documents, court decisions, and traditions that have developed over centuries, kind of like a recipe passed down through generations. Because it's more flexible, the UK system can adapt over time.

与美国不同，英国没有一部单一的成文宪法。它的规则来自重要文件、法院判决和数百年形成的传统，就像代代相传的食谱。由于更灵活，英国制度可以随时间调整。

26 And much like the US, the UK also has a Supreme Court that settles big legal questions and assesses whether new or existing laws follow the country's best interests.

和美国一样，英国也有最高法院，处理重大法律问题，并审视新法或现有法律是否符合国家利益。【本段依原稿表述翻译。】

27 Time for a Did You Know? The London Bridge is not falling down, because it's not even called the London Bridge. And one of you took a vacation to the UK over the summer and filed this special student report.

到了“你知道吗”环节。伦敦桥没有要倒，因为你想到的那座桥，根本不叫伦敦桥。你们中有一位暑假去英国旅游，带来了这篇特别的学生报道。

28 Hi Coy, I'm in front of Tower Bridge in London, and let me tell you some fun facts about this iconic landmark. Did you know Britain's most famous bridge is actually not called the London Bridge? It's called the Tower Bridge.

你好，科伊！我在伦敦塔桥前，来分享这座标志性建筑的趣闻。你知道英国最著名的这座桥，其实不叫伦敦桥，而叫塔桥吗？

29 The original London Bridge isn't even in London. It was moved brick by brick to Arizona in the 1860s. Two local architects began construction on the bridge April 22, 1886, and it opened in 1894.

原来的伦敦桥甚至不在伦敦。原稿说，它在十九世纪六十年代被一砖一瓦搬到亚利桑那州。【该年代疑有误，保留原稿并提示。】两位当地建筑师于1886年4月22日开始修建塔桥，1894年开放。

30 Around 31 million bricks were used to construct the bridge, which ended up costing 1 million pounds. That would be about 166 million pounds today. Geez.

造桥使用了约三千一百万块砖，最终花费一百万英镑，相当于今天约一亿六千六百万英镑。真惊人。

31 Tower bridge is a bascule bridge from the French word from seesaw or balance. Instead of using ropes or chains like a typical drawbridge, the bascules that made up sections of the road moved like two giant seesaws. The sections pivot the bridge open and close, allowing boats to pass through.

塔桥是一座开启桥，bascule源自法语“跷跷板”或“平衡”。它不像一般吊桥那样使用绳索或链条，组成路面的两块活动桥面像巨型跷跷板，绕轴开合，让船只通过。

32 Until 1976, the bascules were operated by hydraulics, using steam to power the enormous pumping engines. Today, the bascules are operated by oil and electricity, driven by hydraulic power instead of steam. It takes 206 steps to reach the top of the bridge.

直到1976年，开启桥面都采用液压装置，以蒸汽驱动巨大的泵机。如今由油和电提供动力，以液压系统代替蒸汽驱动。到达桥顶需要走206级台阶。

33 Once there, you could walk between two towers on a glass floor. This addition came in 2014 so that visitors can test their courage and snap some pictures of the river below. Back to you, Coy?

到顶后，你可以通过玻璃地板在两座塔之间行走。这一设施于2014年增设，让游客考验胆量，并拍摄下方河面的照片。镜头交回给你，科伊。

36 Pop quiz, hot shot.

随堂小测验，高手接招！

37 The king of England is not required to have what type of documentation?

英国国王不必持有哪种文件?

38 Birth certificate, driver's license, checkbook, or passport?

出生证明、驾驶执照、支票簿，还是护照?

39 This is actually a twofer. Passports and driving licenses are issued in the name of the monarch, so they don't need to issue one to themselves. Despite his Royal Highness's lack of license, the king is said to have a fleet of luxury vehicles, including vintage Rolls-Royces and Jaguars.

其实有两个答案。护照和驾照以君主名义签发，所以君主不必给自己签发。虽然没有驾照，据说国王拥有一批豪车，包括老式劳斯莱斯和捷豹。

40 King Charles III took the throne in 2022 after the passing of his mother, Queen Elizabeth II, who ruled for more than 70 years. And while none of you are probably old enough to remember her coronation day, you will likely witness another in your lifetime. Our Randy Kaye explains the significance of the line of succession.

查尔斯三世于2022年继位，此前在位七十多年的母亲伊丽莎白二世去世。你们大概都没到能记得她加冕那天的年龄，但一生中很可能见证另一次加冕。兰迪·凯解释王位继承顺序的意义。

41 Get in line if you want to be head of the British monarchy. The list of future heirs to the throne includes nearly two dozen members of the royal family. William, the Prince of Wales, is the new heir apparent.

想成为英国君主，就得排队。未来王位继承名单包括近二十四名王室成员。威尔士亲王威廉是新的法定继承人。【以下年龄、职衔及顺位均按用户原稿翻译，原稿含旧资料。】

42 He's the eldest son of King Charles and the late Princess Diana. In 2011, William married Kate Middleton, now the Princess of Wales. They live in a cottage on the grounds of Windsor Castle with their three children, who are next in line behind William.

他是查尔斯国王和已故戴安娜王妃的长子。2011年，威廉与现为威尔士王妃的凯特·米德尔顿结婚。他们和三个孩子住在温莎城堡园区的一栋乡间住宅里，三个孩子的继承顺位紧随威廉。

43 Their eldest, Prince George of Wales, is second in line to the throne. Princess Charlotte, William and Kate's only daughter, would come after her big brother. Then Prince Louis of Wales, their youngest.

长子威尔士乔治王子位居第二。威廉与凯特唯一的女儿夏洛特公主，排在哥哥后面，再之后是最小的孩子威尔士路易王子。

44 Fifth in line to the throne, Prince Harry, the Duke of Sussex. He's the younger son of King Charles and Diana and William's only sibling. Harry married Meghan Markle in 2018 after they met on a blind date.

第五顺位是苏塞克斯公爵哈里王子。他是查尔斯和戴安娜的小儿子，也是威廉唯一的手足。哈里与梅根·马克尔经相亲相识，于2018年结婚。

45 They have two children and live in California. Their son, Prince Archie, is in line after his father. His sister, Princess Lilibet, would be next.

他们育有两个孩子，住在加利福尼亚州。儿子阿奇王子排在父亲之后，妹妹莉莉贝特公主再随后。

46 Lilibet is seventh in line to the throne. As the Queen's 11th great-grandchild, she is the most senior royal in the line of succession to have been born overseas in California. King Charles' brother, Prince Andrew, is eighth in line despite being stripped of his royal title.

莉莉贝特是第七顺位继承人。作为女王第十一个曾孙辈，她是王位继承序列中顺位最高、出生在海外加利福尼亚州的王室成员。查尔斯国王的弟弟安德鲁王子位居第八，尽管他已被剥夺王室头衔。

47 Andrew stepped away from royal duties in 2019. Prince Andrew had married Sarah Ferguson in 1986 and had two daughters before divorcing a decade later. Princess Beatrice, now 34 and ninth in line after her father, gave birth to daughter Sienna Elizabeth Mapelli-Mosey in 2021, who is now tenth in line to the throne.

安德鲁于2019年退出王室职责。他1986年与莎拉·弗格森结婚，育有两个女儿，十年后离婚。原稿称34岁的比阿特丽斯公主排在父亲后，为第九顺位；她于2021年生下女儿西耶娜·伊丽莎白·马佩利-莫齐，后者位居第十。

48 That makes Princess Eugenie, Beatrice's sister, 11th. Her son, August Philip Hawke, is 12th. Prince Edward, the youngest child of Queen Elizabeth and Prince Philip, is 13th in the line of succession.

因此，比阿特丽斯的妹妹尤金妮公主排第十一，儿子奥古斯特·菲利普·霍克排第十二。伊丽莎白女王和菲利普亲王最小的孩子爱德华王子，位居第十三。

49 Edward's official title is the Earl of Wessex. His two children, James Viscount Severn and his older sister, Lady Louise Mountbatten-Windsor, are in line behind their father. Princess Anne, who was actually the second child born to the Queen and Prince Philip, falls last behind her three brothers and their children.

原稿将爱德华的正式头衔列为威塞克斯伯爵。他的两个孩子，塞文子爵詹姆斯及姐姐路易丝·蒙巴顿-温莎勋爵小姐，排在父亲后面。安妮公主其实是女王和菲利普亲王的第二个孩子，却排在三个兄弟及其子女之后。

50 That's because the 1701 Act of Settlement, which lays down the rules of succession, allowed for younger sons to move ahead of older daughters in line. The 2013 Succession to the Crown Act changed that, but only applies to those born after October 28, 2011. That leaves Princess Anne, 16th in line to the throne.

这是因为规定继承规则的1701年《王位继承法》，允许弟弟排在姐姐前。2013年《王位继承法》改变了这一规则，但只适用于2011年10月28日之后出生的人。因此，原稿中安妮公主位列第十六。

51 All right, superstars, that's all for today's special edition. Wherever you are in this world, just know that you are royally awesome, and we are so thankful for you spending part of your day with us. You're our cup of tea.

好了，超级明星们，今天特别版到此结束。无论你在世界何处，都要知道，你们“皇家级”地棒！非常感谢你们抽时间陪伴我们，你们正合我们的心意。
