Small space, big perks: Inside Paris' historic tiny apartments

小空间、大收获：走进巴黎历史悠久的微型公寓

根据用户提供的 english.txt 整理并翻译。英文段落下方为对应中文，原稿词汇注释收于文末。段落编号用于对照，原稿未提供时间码。

文字说明：保留英文原稿；译文按所给文本和上下文处理，未与视频核验。无法确定的听写或残句在译文中注明。

正文 / 英文与中文逐段对照

01 What's up, Sunshine? Happy Fri-yay! I'm Coy Wire. We've got 10 minutes of news from around the world, so before we get to the weekend, let's finish this week strong. Big questions, big ideas, and tiny little apartments we'll explain later.

阳光伙伴们，大家好，周五快乐！我是科伊·怀尔。我们有十分钟全球新闻，所以周末之前，来有力地结束这一周。重要问题、宏大想法，还有稍后要解释的微型公寓。

02 We're going to start in New York Citywith a debate sitting right at the intersection of public education and artificial intelligence. Mayor Zoran Mandani is leading the push to ban the use of AI in kindergarten through eighth grades in the nation's largest school district. It's part of a one-year pause on any new proposals.

先从纽约市开始，一场争论正处在公共教育与人工智能的交叉点。原稿中的市长佐兰·曼达尼，正在推动全美最大学区禁止幼儿园至八年级使用人工智能，作为暂停一年接受任何新提案的一部分。

03 New York City schools will also disable the AI features in more than 38 previously approved programs that officials say do not meet their new safety and oversight standards. High schoolers will have some access to carefully vetted AI tools under teacher supervision, and they'll be required to learn AI literacy, including how to recognize bias and misinformation and the dangers of overreliance. But mainstream chatbots like ChatGPT and Claude? Off-limits for all grades.

纽约市学校还将关闭三十八款以上此前获批软件中的人工智能功能，官员称它们不符合新的安全和监督标准。高中生可在教师监督下使用经过严格审查的部分工具，并必须学习人工智能素养，包括识别偏见、错误信息和过度依赖的危险。但ChatGPT、Claude等主流聊天机器人，所有年级都禁止使用。

04 Teachers can still use AI for lesson planning, but not for grading or testing students.

教师仍可用人工智能备课，但不能用于评分或学生测试。

05 The tech industry wants us to believe that AI in early education is not only inevitable, but that it is necessary. We do not see it that way.

科技行业希望我们相信，人工智能进入早期教育不仅不可避免，而且必不可少。我们并不这样看。

06 I have yet to see a study showing that AI is beneficial for students in elementary and middle school, with the exception, of course, of research sponsored by the very corporations that stand to profit.

我还没见过一项研究表明人工智能有益于小学和初中学生，当然，那些由有望获利的企业资助的研究除外。

07 So when does technology help us think and when does it start doing the thinking for us? New York officials say younger students need time to struggle with hard problems, make mistakes and learn alongside human teachers and classmates. In response, some AI companies are rolling out education tools and funding AI training through teachers unions.

所以，技术什么时候帮助我们思考，什么时候开始替我们思考？纽约官员说，低龄学生需要时间攻克难题、犯错，并与真人教师和同学共同学习。作为回应，一些人工智能公司正推出教育工具，通过教师工会资助培训。

08 New York's policy affects roughly 600,000 younger students and schools around the country will be watching closely.

纽约的政策影响约六十万名低龄学生，全国学校都会密切关注。

09 Women's rights trailblazer and feminist icon Gloria Steinem has died. Steinem's storied career spanned decades.

女权先驱、女性主义偶像格洛丽亚·斯泰纳姆去世。她传奇的职业生涯横跨数十年。

10 She became the face of second wave feminism in the 1960s and 70s. She co-founded Ms. magazine and she was also celebrated as an author and journalist. In 2013, then President Obama awarded her the Presidential Medal of Freedom.

她在二十世纪六七十年代成为第二波女性主义的代表人物，共同创办《Ms.》杂志，也作为作家和记者广受赞誉。2013年，时任总统奥巴马授予她总统自由勋章。

11 Here's Steinem in her own words after receiving that honor.

听听斯泰纳姆获此荣誉后的亲述。

12 I feel blessed and enthusiastic and lucky to be part of a movement that is fundamental. Humans are communal animals.

能成为一场根本性运动的一部分，我感到有福、振奋而幸运。人类是群居动物。

13 We need to have that kind of shared community which doesn't have to do with how different we are. We need to be different. We learn from difference, not from sameness, but from shared values. And I have that. I mean, that's what you have in a movement. It's huge. And so it enables you to keep going.

我们需要那种共同的社群感，它不取决于彼此有多不同。我们需要差异，从差异而非同一性中学习，同时拥有共同价值。我拥有这些，也就是说，运动中会有这样的东西。它很强大，能让你继续前行。

14 A post on her official Instagram page says, quote, Gloria's greatest gift was her ability to listen to others, to make others feel seen and heard. Her words, actions and example gave people permission to be their truest selves.

她官方Instagram页面的帖文称：“格洛丽亚最伟大的天赋，是倾听他人，让别人感到自己被看见、被听见。她的言语、行动和榜样，使人们能够做最真实的自己。”

15 Pop quiz, hot shot. Which one of these actors did not play or voice Darth Vader in the Star Wars movies?

随堂小测验，高手接招！下列演员，谁没有在《星球大战》电影中扮演或配音达斯·维德?

16 Jake Lloyd, Hayden Christensen, James Earl Jones or Peter Mayhew?

杰克·劳埃德、海登·克里斯滕森、詹姆斯·厄尔·琼斯，还是彼得·梅休?

17 If you said Peter Mayhew, feel the force. Jake Lloyd, Hayden Christensen and James Earl Jones all portrayed Anakin Skywalker, who went on to become Darth Vader at some point during his life.

如果你选彼得·梅休，就感受原力吧。杰克·劳埃德、海登·克里斯滕森和詹姆斯·厄尔·琼斯，都曾演绎后来成为达斯·维德的阿纳金·天行者，在其人生的不同时期赋予角色生命。

18 Peter Mayhew, he brought Chewbacca to life.

彼得·梅休演活的是丘巴卡。

19 If you've ever wanted to visit a galaxy far, far away, turns out you may only need to go as far as Los Angeles. The Lucas Museum of Narrative Art is set to open this month, giving visitors an up-close look at the art behind George Lucas's legendary storytelling universe.

如果你一直想去遥远的银河系，也许只需到洛杉矶。卢卡斯叙事艺术博物馆将于本月开放，让游客近距离欣赏乔治·卢卡斯传奇故事宇宙背后的艺术。

20 Yes, there is Star Wars with Princess Leia and Obi-Wan. There's also pieces from the entire Lucas archive that would make a Bantha blush. But surprise, this is more than just a Star Wars shrine.

没错，这里有《星球大战》的莱娅公主和欧比旺，也有卢卡斯全部档案中的藏品，多得能让班萨兽脸红。不过，惊喜在于，它不只是《星战》圣地。

21 Lucas and his wife, Melody Hobson, created the museum to celebrate something much bigger, the power of pictures to tell stories.

卢卡斯和妻子梅洛迪·霍布森建立这座博物馆，是为了赞颂更广阔的东西：图像讲故事的力量。

22 A picture is very powerful and the stories are very powerful. And you combine them together and those two elements create a society.

图像非常有力量，故事也非常有力量。把两者结合，这两种元素能构建一个社会。

23 If podracers and X-Wing fighters aren't your thing, you can still stay on target towards works by iconic artists like Frida Kahlo and Norman Rockwell or famous comic books, pop art and rare concept art from the original Star Wars trilogy.

如果飞梭赛车和X翼战机不是你的兴趣，你仍可把目光投向弗里达·卡洛、诺曼·洛克威尔等大师作品，或著名漫画、波普艺术，以及《星球大战》原版三部曲的罕见概念设计。

24 From Banksy to battle droids, the Lucas Museum is betting that a great story can transcend genres, generations, maybe even galaxies.

从班克斯到战斗机器人，卢卡斯博物馆相信，一个好故事可以跨越类型、世代，甚至星系。

25 Ah, Paris. Home of the Eiffel Tower, countless croissants. But while the City of Light is famous for grand boulevards and beautiful buildings, some Parisians are living in spaces so tiny your bedroom might look like a mansion. Much of central Paris was densely rebuilt during the 1800s, right? With strict rules on building heights.

啊，巴黎，埃菲尔铁塔与无数牛角包的故乡。“光之城”以宏伟大道和美丽建筑闻名，但有些巴黎人的住处小得让你的卧室都像豪宅。十九世纪，巴黎中心区大面积密集重建，建筑高度也受严格限制。

26 More than a century later, some of those spaces are still being used as apartments. Our Saskia van Doorn takes us inside some of the French capital's smallest abodes.

一个多世纪后，其中一些空间仍被用作公寓。萨斯基娅·范多恩带我们走进法国首都最小的一些住所。

27 These are some of the smallest apartments you'll find in Paris. Some measure less than 100 square feet. A private shower.

这些是巴黎能找到的最小公寓之一，有些不到一百平方英尺。这里是独立淋浴间。

28 Wow. Can you open both doors at the same time? I've never tried, but I guess you could-ish.

“哇，两扇门能同时打开吗？” “从没试过，不过我想大概可以吧。”

29 They're called chambres de bonnes, maids' rooms, hidden at the top of some of Paris' grandest buildings. Built for domestic servants, they were notoriously cold, with toilets often shared between tenants.

它们被称为chambres de bonnes，也就是女佣房，藏在巴黎一些最宏伟建筑的顶层。最初为家佣建造，以寒冷著称，租户往往共用厕所。

30 As of 2022, there were still more than 90,000 of these tiny apartments across Paris.

截至2022年，巴黎仍有九万多套这样的小公寓。

31 The view from the rooftop is just amazing. You see pretty much every big Parisian monument. My friends commented, oh my gosh, you're going to have a depression in one month's time because it's so tiny, like it's a prison cell. And technically, I guess prison cells are bigger.

屋顶景色太棒了，几乎所有巴黎主要地标都能看到。朋友们说：“天哪，一个月后你会抑郁的，这么小，像牢房。”严格说来，我想牢房可能还更大。

32 Anatoli is an engineering student who's called this place home for the past year. He pays about $800 a month in rent. Expensive by the square foot, but still cheaper than most Parisian apartments.

阿纳托利是工程专业学生，过去一年一直住在这里，每月租金约八百美元。按单位面积算很贵，但仍比多数巴黎公寓便宜。

33 It's not a sacrifice, it's a trade-off. In engineering, you don't have good solutions, you only have trade-offs. So, yeah.

这不是牺牲，而是取舍。在工程学里，没有完美方案，只有各种权衡。所以，就是这样。

34 What's the trade-off here?

这里要权衡什么？

35 The space, or the location, pretty much.

基本上就是空间和地段。

36 And there's another price to pay for living in central Paris. Lots and lots of stairs.

住在巴黎市中心，还要付另一种代价：数不完的楼梯。

37 We do this every day.

我们每天都这样爬。

38 It's terrible. I know, it's a sport. Lovely to meet you. Lovely to meet you too. We're going to need a minute.

“太累了。” “我知道，这就是运动。” “很高兴见到你。” “我也很高兴。”我们得缓一会儿。

39 This is Gladys, and she lives right at the top on the seventh floor.

这是格拉迪丝，她住在最上面的第七层。

40 It's not just Parisians willing to squeeze into these tiny homes. Tourists do it too, paying as much as $140 a night to stay in the heart of Paris. And whether they're here for a night or a year, perhaps this is part of what they're paying for.

愿意挤进这些小房子的，不只是巴黎人。游客也会为了住在巴黎中心，每晚支付高达一百四十美元。不论住一晚还是一年，这也许就是他们所付费用的一部分原因。

41 Wow. You can see the view. Yes. The Eiffel Tower. Yeah, the Eiffel Tower.

“哇，能看到景色。” “是的。” “埃菲尔铁塔。” “对，埃菲尔铁塔。”

42 Today's story, getting a 10 out of 10.One man's valiant push to make sure the heroes of September 11th are never forgotten.

今天获得“十分满分”的故事，是一名男子勇敢的推动之旅，确保九一一英雄永不被忘记。

43 As the U.S. will soon mark 25 years since the terrorist attack, retired United Airlines flight attendant Paul Pauli Veneto is pushing an airline beverage cart 220 miles from Boston to Ground Zero in New York City.

美国即将纪念恐怖袭击二十五周年之际，退休联合航空空乘保罗、昵称“保利”·韦内托，正推着航空饮料车，从波士顿走两百二十英里，到纽约世贸遗址。

44 The 67-year-old has previously traveled more than 750 miles since launching Pauli's Push in 2021, following routes symbolizing the flight paths of the four hijacked planes.

这位67岁的男子自2021年启动“保利的推动”项目以来，之前已走过七百五十多英里，所选路线象征四架被劫飞机的飞行路线。

45 I made a promise to myself that I would make sure these crew members of these aircrafts were honored and recognized for their heroics. So I went and got four more beverage carts, and I designed each one for each airplane.

我向自己承诺，要确保这些飞机的机组成员，因为英勇行为而受到纪念和认可。所以我又找来四辆饮料车，每辆对应一架飞机，分别设计。

46 Pauli adorned each cart with pictures of the crew members that were lost that day. His journey will take him across 60 cities and towns over a span of 28 days each step, honoring the lives lost on September 11th.

保利在每辆车上装饰了当天遇难机组成员的照片。旅程将用二十八天穿越六十个城镇，每一步都纪念九一一逝去的生命。

47 Powerful stuff. All right, no show on Monday in observance of Labor Day, so we're back on Tuesday.

很有力量。好了，周一因劳动节停播，周二回来。

48 Before I go, shout-out time. Miss Ramey and all my jaguars at King Middle and Dr. Lowe and all my parkside pandas here in Atlanta, Georgia, I see Jasper and Daisy rise up. And this next shout-out goes to... Come on in here, Nadir.

离开前，点名致意。向佐治亚州亚特兰大金中学的雷米老师和所有“美洲豹”，以及洛博士和所有帕克赛德“熊猫”致意。贾斯珀和黛西，振作起来！下一组送给……纳迪尔，进来吧。

49 The District 117 Life Skills Academy in Lake Villa, Illinois, sending some of their favorite CNN 10 stories on this quilt. I see the cherry blossoms in D.C., the Olympics, some constellations from the Rubin Observatory. This means more than I can possibly say. Thank you so much.

伊利诺伊州莱克维拉117学区生活技能学院，把他们最喜欢的一些CNN 10故事做在了这床被子上。我看见华盛顿樱花、奥运会，还有鲁宾天文台拍到的一些星座。这份心意的意义，远非语言能够表达。非常感谢。

50 Play that Friday music, Nadir. I'll be on the sidelines for TNT this weekend.

纳迪尔，放起周五音乐。这个周末，我会为TNT在球场边报道。

51 West Virginia hosting Coastal Carolina, so if you see your boy in Morgantown, give me a shout-out. Go and make someone smile this weekend. Remember, you are more powerful than you know.

西弗吉尼亚主场迎战卡罗来纳海岸大学，所以如果在摩根敦看见我，就打个招呼。这个周末去让某个人微笑。记住，你比自己想象的更有力量。

52 I'm Coy Wire. This is CNN 10. It's been a blessing to spend this week with you.

我是科伊·怀尔，这里是CNN 10。能与你们共度这一周，是一种福气。

学习词汇 / 原稿注释

以下保留用户原稿的词汇释义，并省略音标；部分词义未必是本期语境中的用法，理解时请结合正文译文。

oversight n. 监督；照管

vet v. 调查；检查

literacy n. 素养; 知识；能力

overreliance n. 过度依赖

off-limits adj. 禁止使用的; 【美】禁止进入的；禁区的

grading n. 定等级

very adj. 恰好是; 正是; 仅仅

stand v. 处于某种状态 (处于某种特定立场、地位或客观形势，以致于『极有可能 / 注定会』获得或承受某种结果)

storied adj. 有名的; 传说上有名的

feminism n. 争取女权运动

enthusiastic adj. 热心的；热情的；热衷的

sameness n. 相同；一致性；千篇一律

portray v. 扮演

narrative adj. 故事形式的

blush adj.（因害羞，尴尬等而）脸红; 感到惭愧

trilogy n. 三部曲

droid n. 机器人

genre n.【法】文艺作品之类型

mansion n. 宅第，官邸，公馆

abode n.【书】住所，住处

grand adj. 雄伟的；堂皇的; 豪华的；华丽的

depression n. 沮丧，意气消沉

engineering n. 工程；工程学

trade-off n. 权衡; 取舍; 交换，交易

Parisian n. 巴黎人

valiant adj. 勇敢的，英勇的

symbolize v. 象征，标志

heroics n.（炫耀性的）豪壮行为

adorn v. 装饰

quilt n. 被子，被褥; 床罩

constellation n. 星座

sideline n.（观众观看）的场地
